To ACC Taxpayers,

The ACC Board of Trustees wants to make it clear to its taxpayers that the ACC tax rate will NOT increase for the coming year. In fact, ACC’s total tax rate will be reduced by 0.4%. This is the fourth straight year that ACC’s tax rate has decreased. ACC’s tax revenues will increase due to increases in appraised values, reflecting the growth and economic development in the ACC District.

With the support of its taxpayers, ACC:

- Successfully opened the new South Austin Campus in fall 2006.
- Doubled capacity at the Cypress Creek Campus last fall.
- Constructed two state of the art classroom buildings at the Eastview Campus.
- Welcomed Del Valle ISD, the remainder of the City of Austin, and the remainder of the Round Rock ISD into the ACC taxing district.
- Begun design and construction for major renovations and parking at the Rio Grande Campus.
- Acquired land and began design for the new Round Rock Campus.
- Approved a long range district wide strategic plan to meet expected growth through 2040.

ACC continues to be a vital part of the economic prosperity and workforce development in Central Texas. The ACC Board of Trustees wishes to express its gratitude to its taxpayers for their continuing support in helping ACC educate and train Central Texans.
